The Outdoor School

teaching respect, inspiring wonder

Dear Caring Donor,

Thank you for your continued support of Los Padres Council. A local Scouting Alumni recently told us that the journey of becoming an Eagle Scout was what turned him from a child, to an adult he could be proud of. Our goal is to provide that opportunity to all youth and their families who wish to participate in our programs.

Families today are faced with trying to find an activity for their children that is not only affordable, but also builds character and instills values. Scouting is this program, and in order to keep our programs affordable and accessible, we need your help!

It costs Los Padres Council \$255.00 to offer sufficient programming to each child who participates in Scouting. Your support is crucial to helping us maintain the quality of programs we offer. Enclosed is an opportunity to help young people grow to become citizens who are trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

If you're able, we'd love it if you would review the brochure and tear off the pledge card to make a donation to Los Padres Council, BSA to help us achieve our mission. You can also give online by going to www.lpcbsa.org. Every gift matters.

Thank you again!

Yours in Scouting,

Carlos Cortez
